

Smart Step Entrance Mats

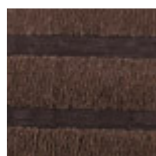

Smart Step alternates rows of ribbed vinyl and carpet strips to scrape and dry in entranceways and foyers. The carpet effectively removes moisture from shoes. Chevron mat strips are ideal for scraping and drying. Smart Step can be placed directly on the floor, or fits into most recessed foyers.

- Designed to provide years of service in the busiest foyers.
- Alternating rows of ribbed vinyl and carpet strips scrape and dry the foot traffic of visitors all day.
- 38oz carpet mat strips for excellent scraping and drying.
- Can be placed within a foyer recess - depth of 3/8" to 1/2" or directly on the floor - allow 9/16" door clearance.
- Ribbed vinyl sections can be perforated to facilitate drainage (recommended for recess areas only).
- Mat comes fully assembled to exact size specifications.
- Vinyl tiles made from 100% recycled PVC.
