

Diamond Sof-Tred Anti-Fatigue Mats

Smooth Top Anti-Fatigue Mats offer comfort and ergonomic support while standing for longer periods of time. The smooth top surface is easy to clean and maintain while the beveled edges prevent trips and falls.

The durable, solid vinyl top surface of these comfort mats is polymerically bonded to a moisture-resistant, closed cell foam sponge base virtually eliminating delamination for the life of the mat.

Smooth Top Anti-Fatigue Mats have a flat, even surface, making it quick and easy to clean these cushion mats as well as improving ergonomic movements when turning or moving while on the mat.

- Available 1/2" thick.
- Smooth Top mats are not only comfortable but also have beveled edges and rounded corners for a safer transition on and off of these anti-fatigue mats.
- Smooth Top Anti-Fatigue Mats are available in custom sizes.
