

SoftWoods Interlocking Tile Mats

These comfort interlocking tiles are economical, safe and can be put together in just minutes to provide a refined wood floor look with the feel of a comfort mat.

Our Soft Woods Tiles are made from high density EVA foam, which gives these tiles their softness while also providing for added longevity.

All of our interlocking tiles are non-toxic, waterproof, impact absorbent, insulating, fire-retardant and help soundproofing.

These puzzle mats are made for both light and heavy use indoor applications that strive for a classy, wood grain design.

- Each tile is 2' x 2' x 5/8" Thick (4 sq. ft total) or ONLY \$2.74 per sq. foot!

NOTE: A "SET" contains all appropriate inside, border & corner pieces for a full, finished edge around the entire border (example: a 6' x 8' set comes with 2 inside tiles, 6 border tiles & 4 corner tiles).

Perfect for: • Gym, Fitness, Exercise • Dance, Yoga, Martial Arts • Boating & Marine • Children Play Areas • Exhibits & Trade Shows • Office & Retail Environments
