## Super Berber Floor Mat Tiles

Super Berber Floor Mat Tiles are heavy-duty, durable floor tiles that are perfect for highly-traffic / heavy-use areas. Manufactured with 100% needle-punched polypropylene fibers, these floor mat tiles have a dense, heavy face weight, and are made for commercial/industrial use.

- Super Berber Floor Tiles' solution dyed fiber is coarse enough to aggressively clean dirt, debris and moisture from shoes while hiding the appearance of walking patterns. A high-low surface pattern effectively scrapes shoes.
- UV-stabilizers make these entry floor mat tiles resistant to fading and also help them dry more quickly.
- Tiles have a heavy-duty rubber backing for longer life.
- Able to fill recesses between 3/8" and 7/16".
- Tiles are 19 11/16" x 19 11/16" x 7/16" Thick.
- Each case of 16 tiles contains 43.2 SqFt.
