

Waterhog Classic Entrance Mats – Designer Colors

Designer Color Waterhog Classic Mats combine a wide spectrum of attractive colors with the heavy-duty construction and durability of all Waterhog mats. These colorful Waterhog door mats feature a durable, raised-square surface which continually cleans and dries shoes.

- Like traditional Waterhog Classic Mats, these designer series floor mats include a water dam border which contains dirt and water on the mat, preventing them from flowing onto the surrounding floor. Additionally, these Waterhog mats can hold up to 1.5 gallons per square yard of water, further helping to contain moisture.
- This Waterhog's surface is made with an anti-static fabric that is quick to dry. The EXS Nitrile rubber backing is designed to take a lot of traffic and yet is fully launderable
- With 56 colors to choose from, there's almost no limit to the extent to which these Waterhog mats can coordinate with any space.
