

Waterhog Classic Modular Entrance Tiles

Waterhog Classic Modular Entrance Tiles combine the most popular entrance mats in the industry with an innovative interlocking tile design to be able to cover large areas and non-rectangular spaces. These waterhog modular tiles still have the raised square or "waffle" surface pattern to scrape dirt and debris from shoes along with attachable beveled borders for a clean, finished look.

- Waterhog modular entrance tiles can hold up to 1.5 gallons of water per square yard.
- The surface of these Waterhog floor tiles is made with an anti-static polypropylene material that dries quickly and will not fade or rot, making the Waterhog tiles an ideal entry mat tile for any application.
- To clean the Waterhog tiles, simply use a vacuum or extraction cleaning methods.
- Waterhog Classic mats have 20% recycled content.
