

## Waterhog School Logo Mats

Waterhog School Logo Mats are our most popular indoor/outdoor logo floor mats. These custom designed Waterhog Mats are manufactured using a distinct inlay process which results in razor sharp designs. Waterhog Logo Floor Mats feature a unique raised-square or "waffle" surface pattern that aggressively cleans shoes.

- Our custom Waterhog Mats are manufactured using a precise inlay process: the area that will display the logo is carefully cut from the mat and the appropriate colors are inlaid in this cutout, much like a jigsaw puzzle. The entire waterhog mat is then bonded to a rubber backing to create a sharp, beautiful, and long-lasting logo mat for any location.

- Waterhog Logo Mats offer a water-dam border which can hold up to 1.5 gallons of water per square yard; thus water and dirt remain on the mat and off the floors.

- The mat's surface is an anti-static polypropylene fabric that will quickly dry and will not fade or rot.

- No artwork or setup or additional color charges.
