

Waterhog Stair Treads

Waterhog Stair Treads scrape dirt, mud and water from shoes while providing a slip-resistant surface on top of stairs.

These waterhog stair treads work well indoors and outside. Waterhog Stair Treads are stain, fade & mildew-resistant due to their rubber backing and polypropylene surface.

- Treads boast rubber-reinforced, crush-resistant nubs in three different patterns.
- Protect stairs from damage caused by mud, sand, water and grime with these stair treads.
- Each stair tread is 8.5" x 30" - 2 stair treads per set.
- Low-profile design allows door to swing over the treads without catching.
- Nitrile rubber underside keeps stair treads in place though Stair Tread Installation Tape is highly recommended.
- Made of fast-drying materials and are easy to clean by shaking or hosing down.

NOTE: These stair treads are intended for residential use.
