

Wide-Rib Corrugated Rubber Runner Mats

Wide-Rib Corrugated Rubber Runner Mats are heavy-duty rubber runners that improve slip-resistance and help protect floors while providing sound dampening. These wide-rib rubber runner mats stay in place quite well.

- These Nitrile rubber runners are designed for heavy traffic and perform well in wet environments. These runner mats resist curling and warping.
- 1/4" Thick for improved durability and floor protection.
- 2', 3' and 4' mats available up to 75' long.
- Wide-rib rubber runner mats afford enhanced floor protection to prevent wear-and-tear and act as insulation against cold floors as well as quieting footsteps over noisy hard-floor areas.
- This heavy-duty rubber matting may also be implemented as a liner for tool cribs & maintenance carts.
