

## Wooden Bath Mats

Wooden Bath Mats are constructed from eco-friendly bamboo and are a great addition beside any bath or outside any shower door.

These wood mats provided added traction while allowing moisture to drain through the open slats.

Wooden Bath Mats are naturally anti-bacterial and mildew-resistant.

These bath mats are heat-dried to the ideal moisture content to prevent cracking and warping.

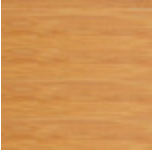

Each wooden bath mat is finished with UV-cured coating to protect against fading.

Item No: BWBM
